

## Statement of Purpose

Dear Applicant,

The Statement of Purpose is considered to be one of the most important components of your application for master's degree studies.

When making the decision on your admission, we will carefully consider your answers to the questions stated below and assess them based on the criteria that follow.

For you to be approved, your Statement of Purpose must:

- demonstrate your strong interest in the field of study,
- demonstrate that you are familiar with the programme syllabus, including the programme courses, and that your previous academic and/or professional achievements are relevant for the programme, and that you will excel in your graduate studies,
- be written in your own words in clear, correct and formal language (English),
- be written within the maximum characters count (an answer on each question is limited to maximum of 1200 characters).
