# Learn – Introduction

DALARNA  
UNIVERSITY

2018-09-10

# User Account

## USER ACCOUNT

# Create Your User Account

- You need to create a user account (electronic identity), which will allow you access to a number of online services that will facilitate your daily life as a student here at the University.
- The same user name will work everywhere:
  - Learning Platform (Blackboard Learn)
  - E-mail
  - Wifi ([www.wifi.du.se](http://www.wifi.du.se))

<https://activate.du.se/?culture=en-US>

<http://www.du.se/en/study-at-du/international-students-applications-admissions-and-registration/registration-and-roll-call/#registration>

## USER ACCOUNT

# Create Your User Account

- First, order a "Key" by emailing [support@du.se](mailto:support@du.se).  
Write:

"I am a new international student and would like a key (nyckel)".

- Include your name and date of birth. You will receive a response by email.
- Once you receive the "Key", you need to create a new electronic identity (user account).

## How to create your account

- Visit [www.activate.du.se](http://www.activate.du.se)
- Choose "New Electronic Identity", then "Key"
- Enter the "Personal Code No" found on your Notification of Selection Results and the "Key" you received via e-mail.

# Learn

## LEARN

# Learn

(Blackboard) Learn is our net-based learning platform where you can find information about all your courses.

<https://learn.du.se/>

When you have registered for the course you will gain access to more folders than what is available when you are logged in as a guest.

# Course Room Structure

## My grades

- Your grades on assignments and where you can find feedback from your teachers
- Learn uses points, that will have to be translated to grades. Sometimes you can see the grade directly, sometimes just the points.
  - Usually 0-2 points

0	U / fail
1	G / pass
2	VG / pass with distinction

# Course Room Structure

## Forum

- Discussion forum for the entire course. Everyone in the course can read and write in this larger forum.

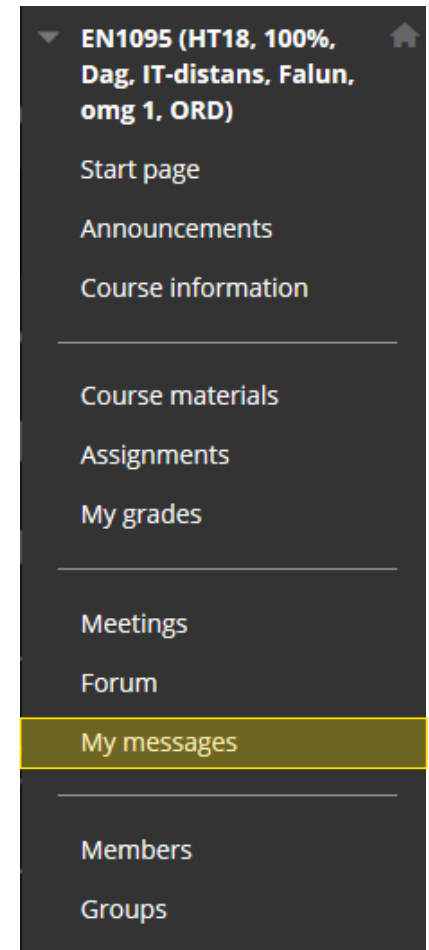

# Course Room Structure

## My messages

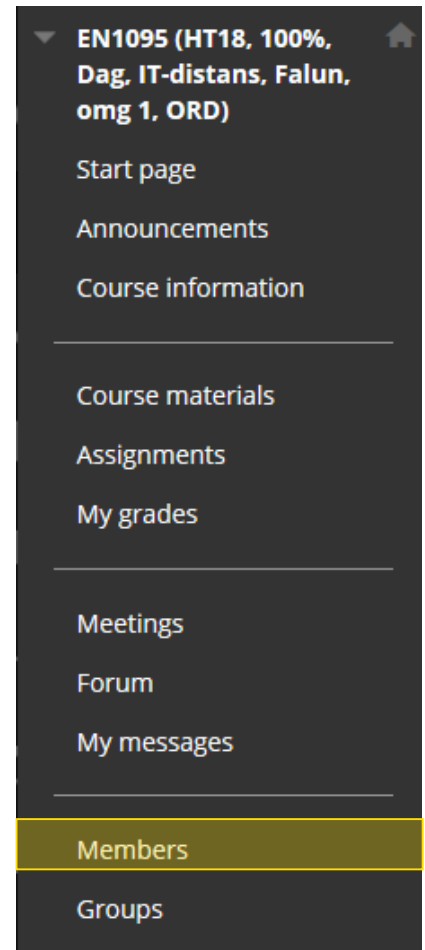

- A messaging function on Learn
  - It is not connected to the regular student or teacher e-mail
  - Check with your teachers how they would like to be contacted

# Course Room Structure

## Members

- A list of all the participants in the room and their e-mail addresses.

# Course Room Structure

## Groups

- Groups you belong to or groups you can join.
  - Sometimes teachers will split you up into groups, and sometimes you can sign up for a group yourself.

The screenshot shows a 'Groups' section on the left with a 'Seminar group' entry. A 'View Sign-up Sheet to Join a Group' button is visible. On the right, a 'Sign-Up Sheet' window is open, displaying the following information:

- Sign-Up Sheet Name:** Seminar Groups
- Sign-Up Sheet Instructions:** Sign up for either the Campus or Distance seminar group here.
- Seminar group 1**
  - Sign up for either the Campus or Distance seminar group here.
  - Group Members : None
  - Max Members Allowed : 15
  - Sign Up button

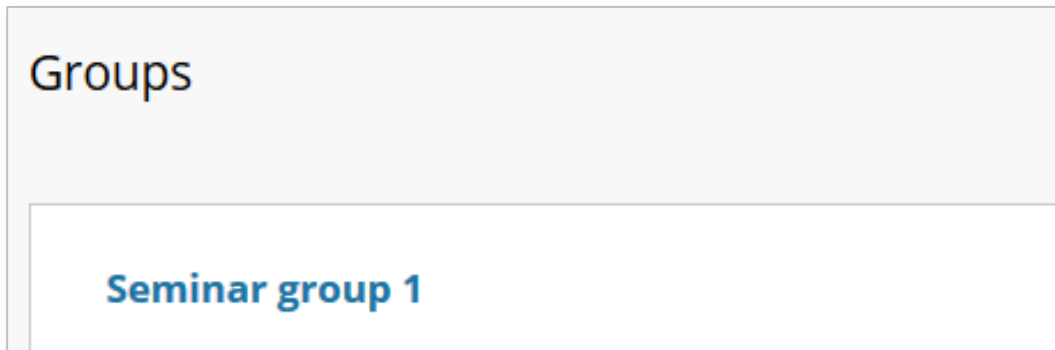

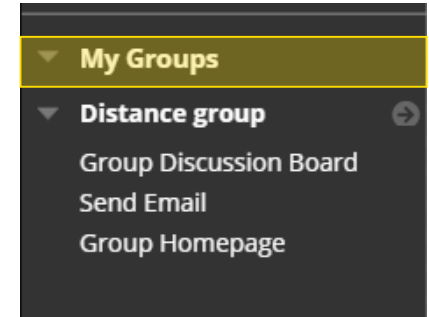

The screenshot shows a dark navigation menu for a course room. The menu items are:

- EN1095 (HT18, 100%, Dag, IT-distans, Falun, omg 1, ORD)
- Start page
- Announcements
- Course information
- Course materials
- Assignments
- My grades
- Meetings
- Forum
- My messages
- Members
- Groups** (highlighted in yellow)

# Course Room Structure

## My groups

- Direct links to groups you are a part of
- Every group has access to different group tools
  - (For example: file exchange, group blogs, group discussion boards, group wiki and e-mail)

FORUM	DESCRIPTION	TOTAL POSTS	UNREAD POSTS	UNREAD REPLIES TO ME	TOTAL PARTICIPANTS
<b>Sem 3</b>	<p><b>Seminar 3 - Pre seminar assignment - Vocabulary</b></p> <p>You have to create a thread in this forum before you can read the other posts. Create a thread and paste your text here, you can not upload a file. You are very welcome to respond to each other's posts and comment on what other groups have written.</p>	6	6	0	6
<b>Sem 4 - Pre-seminar assignment</b>		2	2	0	2
<b>Sem 5 - Pre-seminar assignment</b>		4	4	0	4
<b>Field-study assignment</b>		20	20	0	18
