

Course Syllabus

French: Culture and Society I 7.5 Credits*, First Cycle

Learning Outcomes

On completion of the course students shall, in French, be able to:

- describe the geographical aspects and features of France
- explain the concept of “la francophonie” and its significance
- describe and discuss some important aspects of culture and politics in contemporary French society
- describe and discuss, both oral and in writing, topics relating to France and the French-speaking world.

Course Content

The course includes a study of French geography and society. Some aspects of cultural and social conditions in France and the French-speaking world are covered. The concept “la francophonie” is analyzed and discussed.

Assessment

Continuous assessment through active participation in seminars, assignments and oral presentations.

Forms of Study

Teaching is conducted through online seminars in which students are expected to participate actively. Instruction is in French.
