

## Course Syllabus

### **Italian B: Grammar and Written Production 7.5 Credits\*, First Cycle**

#### **Learning Outcomes**

On completion of the course, students shall be able to:

- describe and problematise Italian language structures and morphology
- describe, using adequate terminology, grammatical rules and do so in a contrasting perspective as well
- use Italian morphology and syntax, as well as a language adapted for the purpose, in their own text production
- plan and write a short essay in Italian showing language and textual competence.
- search and critically use relevant sources, as well as correctly refer to them in their own text production.

#### **Course Content**

The course consists of two parts. The first part includes a contrastive review of Italian grammar with written application exercises. In the second part, students develop their ability to plan and write a shorter scientific essay.

#### **Assessment**

Continuous assessment of active participation in seminars, written assignments, a short essay and a final written exam.

#### **Forms of Study**

Obligatory seminars in which students are expected to participate actively and in interaction with others. The course is taught in Italian.

#### **Grades**

The Swedish grades U–VG.

To achieve the grade of VG for the whole course, VG is required for modules 2 and 3.
