

Course Syllabus

An Introduction to Materials Science 7.5 Credits*, First Cycle Level 1

Learning Outcomes

Course Content Assessment

Forms of Study

Grades

The Swedish grades U, 3, 4, 5.

Prerequisites

General entry requirements and Mathematics 3c or Mathematics D, Physics 2, Chemistry 1

Subject:

Materials Technology

Group of Subjects:

Materials Technology

Disciplinary Domain:

Technology, 100%

This course can be included in the following main field(s) of study:

1. Materials Technology

Progression Indicator within (each) main field of study:

1. G1N

Approved:

Approved 27 April 2017

Valid from 13 May 2017
